

BioCatalin Lotion

BioCatalin Lotion is an enzyme-based topical lotion offered only through health professionals for use with their patients. The preservation system is clean and innovative protecting the integrity of the enzymes. The lotion is easy to use; leaves no residue; and has a mild, pleasant scent. **BioCatalin Lotion** is used by many practitioners when massaging into painful areas such as muscles and joints.

Ingredients and Symptomatology

Melon Extract – This extract of green melon is a renowned antioxidant containing Superoxide Dismutase (SOD).

Mushroom Enzyme Blend – This blend, sourced from mushrooms, provides a natural and complex blend of enzymes: amylase, protease, lipase.

Garlic Extract – Herbalists have long recognized the benefits of garlic, particularly its active component “allicin.” The garlic extract in this formula provides the benefits of garlic without the odor of garlic.

Ingredients: Water, Prunus amygdalus dulcis (Sweet Almond) Oil, Cetearyl Alcohol, Polysorbate 60, Melaleuca alternifolia (Tea Tree) Oil, Caprylic/Capric Triglyceride, Glycerol Stearate, Cetyl Alcohol, Diheptyl Succinate, Capryloyl Glycerin/Sebacic Acid Copolymer, Sodium Stearoyl Lactylate, Garlic Extract, Amylase, Protease, Lipase, Cucumis melo (Melon) Fruit Extract, Lonicera caprifolium (Honeysuckle) Flower Extract, Lonicera japonica (Honeysuckle) Flower Extract, Guar Gum, Glycerin, Potassium Sorbate, Citric Acid.
