

PhytoGel®

PhytoGel® is a homeopathic topical remedy for pain and the effects of injury and burns. It is one of the staples of the natural home remedy kit with applications for skin, muscles, bone pain and joint pain. This product is an excellent complement to hands-on and physical healing modalities such as chiropractic, physical therapy or massage. Indications may include pain and injuries that are recent or long-standing.

Symptoms include pain, sprains, strains, bruises, joint pain, burns, sunburns, insect bites, itching, and muscle aches.
